## DragonFly Binder Programme

DragonFly supports learners at home and school through our Binder Programme of individualized work. The binder ensures continuity of practice and provides personalized materials. The content is monitored and adapted as the learner develops their understanding of key academic skills in language, reading and mathematics.

This programme is offered to students with limited access to our facility, high school students, and students with parental supervision.

DragonFly registration is a personalized process. To register, contact Barbara Roblin at 613-238-7838.
